DISCUSSION / Getting Started				
<ul style="list-style-type: none"> <li>• Mike Crooks opened the meeting, welcomed all and reviewed the purpose of the meeting.</li> <li>• Introductions and discussion to contribute to Root Cause Analysis for Medication Non-Adherence – see attached document to view RCA as “fishbone diagram”</li> <li>• Turning the corner to action: Now that RCA is complete for community identified causes of medication non-adherence we can focus the efforts of our membership to planning an intervention. The next step is to prioritize which root causes we can act to improve.</li> <li>• Terri Partain, RRT (<a href="mailto:tpartain@homemedpro.com">tpartain@homemedpro.com</a>, 770-530-5111) shared information on a partnership between Home Medical Professionals, a durable medical equipment in the Athens community specializing in respiratory care, with Alana Healthcare, a population health management company that provides outcome-driven and evidence-based care for people living with chronic and acute respiratory illness. Please contact Ms. Partain if you would like more information.</li> </ul>				
ACTION ITEMS				
<ul style="list-style-type: none"> <li>• Review final root cause analysis</li> <li>• Respond by 4/10/15 to Mike Crooks (<a href="mailto:michael.crooks@alliantquality.org">michael.crooks@alliantquality.org</a>) with answers to these questions:             <ul style="list-style-type: none"> <li>○ What is the number one problem on RCA you want to see addressed regardless of resources, time, \$, difficulty, etc?</li> <li>○ What is the number one problem you want to address that you or your organization has the capability to work on to improve?</li> </ul> </li> </ul>				
CLOSING / Assignment				
<ul style="list-style-type: none"> <li>• Send responses to questions above</li> </ul>
